SUMMARY

- Completed Information Science and Engineering from Maharaja Institute of Technology Thandavpura
- Seeking a challenging position in a reputed organization Where I can learn new skills, expand my knowledge, and leverage my learning .To get an opportunity Where I can make the best of my potential and contribute to the organization's growth.

TECHNICAL SKILLS

Programming Languages   : C, Java
Other Technologies   : SQL , HTML, CSS, Java Full Stack Development

PROJECTS

Database Management System| Mini Project | Nov 2021- Feb 2022

A simple demonstration of 'Attendance Management System' in MySQL. It is a Software developed for daily attendance of students and make use of database. In order to keep a record of attendance and it is used while generating a report.

Responsibilities
- Understanding the syntax's and functions of MySQL and implementation

File Structure | Mini Project |Apr 2022 - Aug 2022

The Tender Management System is basically an application to maintain records of tender and billing. It provides the facility to make offline orders and get everything done. And all the data will get stored in the text file.

Responsibilities
- Implementing the wide C++ libraries to handle the file exception.

Major Project |Sep 2023 - Apr 2023

'Cardio Vascular Diseases Prediction Using ML' , the aim of this project is to develop an accurate and efficient model for predicting the presence of cardiovascular disease(CVD) in individuals using a Cleveland dataset.

Responsibilities'
- Evaluating a model using different algorithm, to determine which algorithm give a highest accuracy.

EDUCATION

Examination	Institution	Board/University	Year	Percentage
B.E (ISE)	Maharaja Institute of Technology Thandavpura	V.T.U.	2023	8.34(CGPA)
XII	DPBS PU College Periyapatna	K.S.E.E.B.(PUC board)	2019	78.6
X	Sri Gururenakadevi English Medium High School Periyapatna	K.S.E.E.B.	2017	80.64

INTERNSHIP &TRAINING

- Training for comprehensive Full Stack Developer Offline Course at Kodnest.
- Trained for Micro learning Course in Data Science
- Underwent 72 hours of Technical Training On C,C++ and Java from 10 Seconds
- Trained for Young Professional under TCS ION Career Edge 2022

PERSONAL TRAITS

Effective communication
- Ability to communicate technical information and other information in a clear and simple manner

Critical Thinking
- Ability to ask questions and try solutions to get things to their desired state

Analytical and Logical Thinking
- Ability to analyzing conditions and situations in terms of considering key information, element, factor and logic for understanding the concept more precisely

Problem Solver
- See problem as challenges and life experience and try to stand above them, objectively.

Quick Learner
- Grasping new concepts quickly and love problem solving. Ability to surf the internet to learn new technology and get better solutions.

EXTRACURRICULAR ACTIVITIES

- Dancing – Passionate about dance and participated some event in School and college.
- Cooking – Passionate about cooking and Food enthusiast.
- Sports Team – Played as a team captain of Throw ball team, leading a cohesive and determined group of athletes.

PERSONAL DETAILS

- Date of Birth   : 15the Dec 2001
- Languages Known   : Kannada, English.
